

DIGITAL ARTS RESEARCH CENTER (DARC)

The Digital Arts Research Center (DARC) is located east of Heller Drive, and is best accessed from the West Entrance of the campus. At the Main Entrance, proceed west on Empire Grade, then turn right on Heller (the West Entrance). Proceed through four stop signs and turn right on Meyer Drive. Continue through the intersection with Kerr Road, and turn left on McHenry Service Road. The Music Center will be on your right, and the DARC building is on the left, just past the large parking lot.

Accessible parking places are available in front of the DARC building on the left-hand side.

Parking permits are required in most lots on weekdays between 7:00 a.m. and 8:30 p.m. The Performing Arts parking lot has two "Pay & Display" permit dispensers for those attending evening events.

The cost of an evening permit (valid from 5:00 p.m. – 8:30 p.m.) is \$3; the dispensers accept coins, bills, and credit cards. One-day visitor permits may be purchased at the main entrance kiosk or at the TAPS Sales Office (located in the H Barn at the base of campus).

Lot designations are subject to change; it is advisable to check the permit requirements posted at parking lot entrances when parking on campus.
